Hiring Manager
TigerIT Bangladesh Ltd.
Block-K, House-21, Rd No.-28
Dhaka 1213, Bangladesh

Respected Hiring Manager,

I am writing to express my interest in the Java Developer position at TigerIT Bangladesh Ltd. With a Bachelor of Science in Computer Science and Engineering from Green University of Bangladesh and extensive experience in both competitive programming and software development, I am eager to contribute my skills to your dynamic team.

In my previous role as a Software Engineer Intern at Battery Low Interactive Ltd., I developed an e-commerce web application using HTML, CSS, JavaScript, and React.js, successfully integrating RESTful APIs and ensuring smooth navigation with React Router DOM. Additionally, I gained practical experience with backend development using Java and Spring Boot in various personal projects.

As a Programming Trainer at Green University of Bangladesh, I trained freshmen in problem-solving and competitive programming, and as a Student Mentor, I supported students academically. These experiences helped me enhance my leadership and communication skills while deepening my technical expertise.

During my university years, I actively participated in national and international programming contests, including the ICPC, NCPC, and IUPC, where I honed my problem-solving abilities and developed the capacity to tackle complex challenges under pressure. I have solved over 2,500 problems on both online and offline platforms, which has significantly strengthened my coding and algorithmic skills.

I am proficient in C/C++, Java, Python, and JavaScript, and I have hands-on experience with frameworks like Spring Boot and React.js. Additionally, I possess a solid understanding of data structures, algorithms, and SQL, along with exposure to Machine Learning and Deep Learning models.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences can contribute to Exabyting. Please find my CV attached for your review.

Kind Regards,

Md. Zahid Hasan Mozumder
Applicant
